

antidoque®

I keep your former beauty for ten years.
produced by TAKION

Anti chemical lotion skin absorption prevention agent (Scalp and hair lotion)

- Directions in the time of permanent wave and coloring -

Please apply to the whole scalp before using a medicine.

Please apply to the whole scalp and hair after a spa treatment.

The person who is easy to get an itch, please use it together with Fummus extract liquid.

The people with doubt of allergy need to apply carefully at intervals of 1cm .

Before a spa treatment, the joint state of scalp protein increases and it is hard coming to start allergy by applying to the whole scalp.
